Logic Puzzle

It's lazy Sunday! Annie, Heepsy, Kat and Patty each have different ideas about what time to wake up, what to eat and what to drink. Help match each person to the times, foods, and drinks using the clues below.

1. The one who had the coffee got up one hour later than Patty.
2. Heepsy got up one hour later than the one who had the coffee.
3. The person who ate the bagel was either the one who had the coffee or the person who got up at 7:00 am.
4. There are four different people. One person got up at 10:00 am, one person ate the eggs, one person ate the oatmeal and one person is Patty.
5. Kat got up one hour later than the person who ate the oatmeal.
6. The person who ate the oatmeal got up two hours later than the person who drank the lemonade.
7. The person who got up at 9:00 am was either the one who had the water or the one who had lemonade.
8. Annie ate eggs.
