Hi Mario,

It's your friend Aaron from camp. I just wanted to tell you that I love teaching tennis at POP! I love the mountains, the lake, the sun, and of course the campers!

Do you think there is any chance we'll be able to get more ice cream from Jimbo this year? They never call the table I'm at.

Also, should we do a different song than 'Gasolina' at the Counselor Show?

Adios,
Aaron
